

Hub - everything in one place

hub.heidelbergmaterials.co.uk

Take control of your account with Hub.

Orders and deliveries

Real-time updates on your orders and deliveries. Effortlessly keep track of your orders.

Place orders

Enjoy the convenience of placing orders with ease.

Data export

Simplify data integration and analysis by exporting your invoice and ticket data into a spreadsheet for easy organisation and analysis.

Invoices and tickets

View and download documents conveniently. Access historical and current documents whenever you need them.

Request a quote

Simply provide your project details, material requirements, and technical specifications, and our sales experts will get in touch.

Find out more

For more information and resources about Hub, including a link to sign up, visit our dedicated Hub webpage.

Please note: different features are available for different product lines.

If you're unsure about what's available to you, feel free to reach out to the digital team at hconnect@uk.heidelbergmaterials.com for assistance.
